

Strojírenský zkušební ústav, s.p.
(Engineering Test Institute, Public Enterprise), Authorized Body 202
Hudcova 424/56b, Brno, Czech Republic
Authorization Decision 4/2017 of 16 January 2017

PRODUCT CERTIFICATE

No. **202/C5/2018/B-30-00510-18**

In compliance with the provisions of Section 5 (2) of Government Regulation 163/2002 Coll., laying down technical requirements for selected construction products, as amended by Government Regulation 312/2005/Coll. and Government Regulation 215/2016 Coll., the Authorized Body hereby confirms that for the following construction product

Air ducts with circular cross section
see Page 2

Manufacturer: **GIOMETAL s.r.o.**
Tovární 892/5a, 643 00 Brno - Chrlice, Czech Republic
Company ID No.: **26312131**

it has reviewed the background materials submitted by the Manufacturer, carried out the initial product type test on sample, initial audit at the manufacturing plant, assessed the factory production control system and ascertained that the product concerned meets the requirements related to essential requirements of the abovementioned Government Regulation set by the specified standards ČSN EN 1506:2007 and ČSN EN 12237:2003 and by technical regulations, and that the factory production control system is consistent with the relevant technical documentation and ensures that the products placed on the market meet the requirements laid down by the aforesaid specified standards and technical regulations and are consistent with the technical documentation pursuant to Section 4 (3) of the abovementioned Government Regulation.

An integral part of this Certificate is Final Report 30-13844-2 of 2018-05-14, which contains the conclusions drawn from the ascertainment, verifications, test results and essential description of the certified product, necessary for its identification.

This Certificate was first issued on 2018-05-15 and will remain valid as long as the requirements that are laid down by the specified standards and technical regulations, to which reference is made, or the production conditions at the manufacturing plant or the factory production control system remain substantially unchanged, unless this Certificate is amended or cancelled by the Authorized Body.

At least once every 12 months, the Authorized Body performs surveillance of proper operation of the factory production control system at the Manufacturer's premises pursuant to Section 5 (4) of the abovementioned Government Regulation, takes samples of the products at the manufacturing plant, tests these samples and assesses whether the characteristics of the products comply with the specified standards and technical regulations. The Authorized Body shall issue a report on evaluation of the surveillance and pass it to the Manufacturer.

On the day of its issue the present Certificate cancels Certificate No: AO 202/C5/2015/Reg. No.: B-30-01039-15 of 2015-10-15.
